Save \$100 if you register before August 31<sup>st</sup> (\$875 before discount).

Save MORE if you register for more than one course:

- Pediatric Open Airway Surgery Course
- Pediatric Temporal Bone Course
- Pediatric Vestibular and Balance Update

## Continuing Education (CME) Accreditation

Continuing Professional Development (CPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada.

As a result of a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada, The American Medical Association, and The European Union for Medical Specialists, CPD is permitted to assign respective credits.

## Course Outline

- 7:30 am Registration and light breakfast
- 8:00 am Welcome and introduction
- 8:10 am Guest Lecture, William Crysdale - The early years of open airway surgery
- 8:25 am *Interactive Q&A component*
- 8:30 am Decision making and planning
- 8:45 am *Interactive Q&A component*
- 8:50 am Anatomy of the pig airway: comparison with the human
- 9:00 am Anterior LTP with thyroid ala graft
- 9:15 am *Interactive Q&A component*
- 9:20 am Anterior LTP with rib cartilage graft
- 9:35 am *Interactive Q&A component*
- 9:40 am Posterior LTP with rib cartilage graft
- 9:55 am *Interactive Q&A component*
- 10:00 am **REFRESHMENT BREAK**
- 10:20 am Cricotracheal resection
- 10:35 am *Interactive Q&A component*
- 10:40 am Slide tracheoplasty
- 10:55 am *Interactive Q&A component*
- 11:00 am **WALK TO PETER GILGAN RESEARCH AND LEARNING TOWER, CHANGE INTO SCRUBS. LUNCH PROVIDED.**

- 12:00 am Introduction to live animal models
- 12:10 am Live animal hands-on practical session (Interactive component: 4 hr 50 min)
  - Tracheotomy / stent placement
  - Anterior LTP with thyroid ala graft
  - Anterior LTP with rib cartilage graft
  - Posterior LTP with rib cartilage graft
  - Cricotracheal resection
  - Slide tracheoplasty
- 5:00 pm Debriefing and wrap-up (*Interactive Q&A component*)
- 5:30 pm **ADJOURN**

**NOTE** Course dinner for the open airway course will be held the night before in conjunction with the dinner for the endoscopic airway course.
