Blake Papsin, MD, FRCSC
Professor, Department of ORL-HNS, University of Toronto
Chief of Otolaryngology, Hospital for Sick Children, Toronto

Dave Pothier, MBChB, MSc, FRCS (ORL-HNS)
Assistant Professor, Department of ORL-HNS, University of Toronto
Staff Neuro-otologist, Toronto General Hospital

Organiser

Adrian James, DM, FRCS (ORL-HNS)
Professor, Department of ORL-HNS, University of Toronto
Hospital for Sick Children, Toronto

Accreditation:

Royal College of Physicians and Surgeons of Canada - Section 1. This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Faculty of Medicine, University of Toronto.

The American Medical Association - AMA PRA Category 1. Through an agreement between the Royal College of Physicians and Surgeons of Canada and The American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™.

European Union for Medical Specialists (EUMS) ECMEC. Live educational activities occurring in Canada and recognized by the Royal College of Physicians and Surgeons of Canada as Accredited Group Learning Activities (Section 1) are deemed by the European Union of Medical Specialists (UEMS) eligible for ECMEC®.
Toronto International Endoscopic Ear Surgery Workshop

Wednesday, November 29, 2017
Multimedia Room, 3rd Floor
Peter Gilgan Centre for Research & Learning, 686 Bay Street, Toronto, ON
Hospital for Sick Children

07:30  Registration (3rd Floor, outside Multimedia Room) and Continental Breakfast (2nd Floor Lobby)

08:00  Welcome from Otolaryngologist in Chief, University of Toronto  Ian Witterick

08:05  Introduction  Blake Papsin

08:20  Why use endoscopes in ear surgery  Dave Pothier

08:45  Endoscopic middle ear anatomy  Muaaz Tarabichi (via Skype)

09:30  Coffee Break (2nd Floor Lobby)

09:30  How to use endoscopes in ear surgery

10:00  TEES: Starting the operation  William Parkes

10:30  TEES cholesteatoma dissection & reconstruction  Seiji Kakehata

11:00  TEES tympanoplasty: How we do it  Michael Cohen & Adrian James

11:30  TEES ossiculoplasty & congenital ossicular anomalies

12:30  Lunch (2nd Floor Lobby)

13:15  Surgical demonstration: TEES tympanoplasty  William Parkes & Adrian James

15:30  When to use endoscopes in ear surgery
       Round table discussion
       Open delegates Q&A session
       Cholesteatoma surgery: to ventilate or obliterate?
       Cochlear implantation: is there a role for endoscopy?

17:00  CLOSE

19:00  Workshop Dinner
       ORO Restaurant, 45 Elm Street, Toronto (http://www.ororestaurant.com)
Thursday, November 30, 2017
Surgical Skills Lab
Mount Sinai Hospital, Level 2, 600 University Avenue, Toronto, ON

08:00 – 15:30  Faculty demonstration of TEES dissection then delegates hands-on dissection (bilateral)

Cadaveric dissection

• Trim hairs
• Meatal incision placement
• Meatal skin flap
• Elevation of squamous layer of TM
• Interposition graft
• Elevation of fibrous layer
• Inspect middle ear & Anatomical review
• Underlay graft
• Harvest tragal grafts
• Removal of incus
• Cartilage myringostapediopexy
• Remove stapes superstructure (laser or drill)
• TORP
• Atticotomy (curettage)
• Remove malleus head
• Inspect attic and anatomical review
• Scutum reconstruction
• Atticoantrostomy & canalplasty (curettage then drill)

Dry lab

• Bone anchored hearing aid
• Cochlear implant insertion techniques

BREAKS DURING DISSECTION SESSION

08:00 – 08:30  Breakfast
10:00 – 10:15  Coffee Break
12:30 – 13:00  Lunch

15:30  How to get started with TEES  Dave Pothier

16:00  Final questions and wrap up

16:30  Workshop closes
We are very grateful to our sponsors for contributing to the success of this workshop:
